## THE LORD BOTETOURT MEDAL

### **ALEXANDER M. HOLLAND**

The Lord Botetourt Medal is presented each year to the undergraduate student who has most distinguished him or herself in scholarship during their time at William & Mary. In 2026, this singular honor is awarded to ALEXANDER M. HOLLAND.

In the words of an advisor, Mr. Holland “exemplifies the highest standard of scholarship: intellectual rigor, clarity of thought, humility, collaboration, and persistence.” Mr. Holland graduates with a bachelors of science in neuroscience with an honors thesis in chemistry. He achieved a perfect 4.0 GPA.

During his first year at William & Mary, Mr. Holland played a central role in a large-scale qualitative content analysis of nearly 2,000 articles from a woman’s health magazine. He distinguished himself as a laboratory assistant in the Eating Behavior and Development Lab.

Garrett-Robb-Guy Professor of Chemistry Jonathan Scheerer praised Mr. Holland for his work focusing on a Blatter-type radical, an organic species with potential in organic batteries. Dr. Scheerer said he “is focused and engaged in his experiments, keen on planning the next steps, and communicative about his thought processes and result analysis.” Mr. Holland presented at the National Organic Symposium on a competitive honors fellowship. Dr. Sheerer anticipates that the strength of his honors thesis will lead directly to a single author publication.

What sets Mr. Holland apart, writes an advisor, “is the way he engages with knowledge, with others and with the process of learning itself.” Mr. Holland “anticipates confusion points, builds logical narratives, and supports claims with evidence, making difficult material accessible without oversimplifying it.”

Mr. Holland has accepted a position in the Chemical Biology & Medicinal Chemistry doctoral program at the UNC Eshelman School of Pharmacy at the University of North Carolina at Chapel Hill.

Nominators praise his character as well as his acumen, writing that his “distinction lies in his willingness to engage with uncertainty. He continually refines his approach and persists, even when progress is difficult to measure.” An advisor wrote: “Intellectually curious, highly disciplined and exceptionally collaborative, Alex is among the most impressive undergraduates I have worked with.”

## THE JAMES FREDERIC CARR MEMORIAL CUP

### **ALLISON N. ROBINSON-WILSON**

The James Frederic Carr Memorial Cup was established in honor of a William & Mary student who served with distinction in the First World War and lost his life before he could return to graduate. The award recognizes the student who best exemplifies character, scholarship and leadership. The recipient of the 2026 Carr Memorial Cup is ALLISON N. ROBINSON-WILSON.

A double major in English and Government, Ms. Robinson-Williams has led with courage and generosity in so many roles at William & Mary. She credits her upbringing for instilling in her the belief that “as human beings, we have a duty to do right by each other.” During her time as a university student, she has embraced this mindset wholeheartedly. She served as a fellow for William & Mary Scholars Undergraduate Research Experience (WMSURE), a counselor for Preparing for Life as a University Student (PLUS) program, president of the Minority Pre-Law Association, and a campus tour guide.

As a WMSURE fellow, Ms. Robinson-Wilson has exemplified Mary Church Terrell’s call to “lift as you climb.” She mentored students new to university-level coursework, accelerating their growth as confident, independent scholars. She founded the WMSURE Oral History Project, recording the program’s history supporting first-generation and low-income students. The interviews add to the Special Collections Research Center at Swem Library.

Across campus, Ms. Robinson-Wilson has championed access and belonging. As a facilitator for Brown Table Talk, she created welcoming spaces to support women of color. She led the Minority Pre-Law Association, helping to lower the burden of applying to law school for students. She advanced inclusivity as a member of the Alpha Kappa Alpha Sorority, Inc.

In Ms. Robinson-Wilson’s own words: “Everything I became involved with in college was to make it better for the students who come after me.” William & Mary applauds Ms. Robinson-Wilson for leadership and dedication to service. Her contributions will benefit the university’s mission for many years to come.

## THE THATCHER PRIZE FOR EXCELLENCE IN GRADUATE AND PROFESSIONAL STUDY

### YI-YUN MINNIE TSAI

The Thatcher Prize was created in honor of the 21st Chancellor of William & Mary, Margaret, The Lady Thatcher. The award is presented annually to recognize an outstanding student in graduate or professional study. The winner is selected on the basis of scholarship, leadership, character and service. The recipient of the 2026 Thatcher Prize is YI-YUN MINNIE TSAI.

Dr. Tsai, known as Minnie to her friends and colleagues, studied counselor education as a doctoral student at the William & Mary School of Education. In March, she successfully defended her dissertation. Her research explored the use of tabletop role playing game group counseling to support elementary students who have experienced bullying. Dr. Tsai received her first master's degree in education from the University of Pennsylvania, and her second master's degree in counseling from Villanova University.

Nominators shared that Dr. Tsai's "commitment to intellectual growth, research and scholarly contributions sets her apart as a leader in her field." She co-authored an article with William & Mary's Dr. Stickl Haugen, recently published in the American School Counselor Association Magazine, which focuses on student safety in today's digital environment. Dr. Tsai has presented as first author at seven conferences and produced manuscripts tackling the topic of school counselor wellbeing.

Dr. Tsai has held leadership roles oriented towards mentorship and supporting emerging leaders. She has served in numerous professional associations and publications, including the Journal of Counselor Leadership & Advocacy, American Educational Research Association, Asian American Psychological Association and the Association for Counselor Education and Supervision.

At William & Mary, Dr. Tsai served as Vice Chair of the Honor Council and as a student ambassador for the School of Education. One nominator stressed that Dr. Tsai's integrity and "genuine dedication for helping students grow personally and professionally" fueled meaningful reform in how the Honor Council operates. She led recruitment, defined leadership roles and enhanced training opportunities. Dr. Tsai has served as an international peer leader for the Reves Center and as a mentor for first-year Ph.D. students. In 2025, she was awarded the Reves Center International Student Achievement Award.

"Two of the most impressive qualities about Minnie," writes another nominator, "are her humility and curiosity; to me, these qualities propel her academic excellence."

## THE ALGERNON SYDNEY SULLIVAN AWARD

*The Sullivan Award, given in the form of a medallion, is in recognition of influence for good, taking into consideration such characteristics of heart, mind, conduct and demonstrating a spirit of love and helpfulness to others. It is awarded each year to two graduating students and to a third person who has a close relationship to the university.*

### GRACE G. BELLAMY

GRACE G. BELLAMY conducts her life with a spirit of love and helpfulness to others at all times. As one nominator said, "It's not just what she does, but how she does it — with a steadiness of kindness, attentiveness and genuine care that transforms every space she is a part of."

An aspiring pediatric dentist, Ms. Bellamy graduates with her bachelor of science degree in biology. She is "relentlessly hardworking" in pursuit of her goals, and praised for her dedication.

Ms. Bellamy accepted a position as a state officer coach and trainer with the Virginia Health Occupations Student Association (HOSA), an organization she has served for longer than her undergraduate career. Over the years, Ms. Bellamy supported thousands of students across the state, from mentoring teams to leading initiatives that impacted over 5,000 members. As the state president, she expanded membership, developed large-scale conferences and created leadership training that shaped students' academic and professional opportunities. Ms. Bellamy was recognized for outstanding service and dedication at the Virginia HOSA 46th Annual State Leadership Conference.

According to a nominator, "In high-pressure environments, where logistics and outcomes could easily take precedence, Grace remains grounded in empathy. She leads in a way that makes others feel seen, supported and capable of more than they thought possible." Whether volunteering in the intensive care unit at Sentara Regional Hospital, mentoring students in public health programs or working with Girl Scouts, Grace "consistently shows up with humility and care."

Ms. Bellamy excels in scholarship and as a mentor for others. A student who benefitted from Ms. Bellamy's leadership in William & Mary's evolutionary genetics lab wrote that "her friendship and mentorship have had an extremely meaningful impact on my confidence and growth, both in the lab and as an individual." Another nominator familiar with her work on the executive board of Kappa Delta Sorority shared that Ms. Bellamy "ensures that every life she touches knows how valuable they are." A colleague shared that, "she brings a quiet attentiveness that reflects a deep respect for the dignity of every person she encounters."

Even as she closes this chapter in her academic and professional journey, Ms. Bellamy leaves in her wake "a smile and a heart-shaped mark in everything she does."

## THE ALGERNON SYDNEY SULLIVAN AWARD

### **PEERAWUT RUANGSAWASDI**

PEERAWUT RUANGSAWASDI leads with a “clear sense of purpose, quiet humility and consistent focus on the greater good.”

Mr. Ruangawasdi approached his studies in government and public policy with a “wonderful sense of sustained curiosity.” As a member of William & Mary’s accelerated Master of Public Policy program, Dean’s List student and participant in the highly selective Global Research Institute’s Global Scholars Program, colleagues praise his exceptional dedication. Immersed in complex issues of international security and American statecraft, Mr. Ruangawasdi brings academic rigor, intellectual curiosity and analytical precision to understanding global challenges.

Mr. Ruangawasdi’s experiences beyond the classroom underscore his dedication to public service. As a communications intern with the United States Senate, he contributed to policy and media relations at the national level. For Diplomacia Global, Mr. Ruangawasdi reported on diplomacy, global affairs and cross-cultural dialog. A nominator writes that in each setting, “he has demonstrated maturity, adaptability and a commitment to amplifying important voices.” He brought the same level of journalistic integrity to the Flat Hat, where he served in many roles including chief of staff.

“Peerawut does not work for himself,” wrote a nominator, “he works for William & Mary.” In roles spanning the Office of the Provost, University Advancement and Student Assembly, to name a few, Mr. Ruangawasdi helped shape institutional priorities, advocate for student needs and impact the future of academic programs. On the Undergraduate Honor Council, he upheld university values of integrity and accountability.

Fluent in Thai and English, Mr. Ruangawasdi also dove into the study of the German language and culture. As a teaching assistant for German Studies, he not only studied the principles of foreign language acquisition, but conducted his own classes once a week. In the words of an advisor, “Peerawut exemplifies the best of a traditional liberal arts education.”

“What distinguishes Peerawut most is his character,” said a nominator. “Across his many roles, he approaches his work with integrity and ... he consistently prioritizes the collective good over personal recognition.” The Alma Mater of the Nation is proud to recognize Mr. Ruangawasdi’s influence for good.

### **REV. JEFFREY BUFFKIN P ’17, P ’19**

REV. JEFFREY BUFFKIN P ’17, P ’19, campus minister for Baptist Collegiate Ministry at William & Mary, “exemplifies the very heart of the Sullivan award: a life lived in love, service and tireless generosity to others.”

Praised for his warmth and hospitality, Rev. Buffkin has been a cherished member of the William & Mary community for nearly two decades. In addition to directing all Baptist collegiate ministries at the university, Rev. Buffkin hosts weekly dinners, holiday gatherings, appreciation nights and provides, according to one nominator, “countless quiet moments of kindness and encouragement.”

For students in need, Rev. Buffkin will arrange for donated furniture and other everyday necessities. An international student expressed gratitude for Rev. Buffkin’s guidance on how to navigate American life, from how to buy a car and understand insurance to interpreting cultural values, customs and social issues. They shared, “Because of Rev. Buffkin’s mentorship, I adapted to life in the U.S. not with fear or isolation, but with courage, confidence and community.”

On missions trips, Rev. Buffkin is always the first to jump into demanding projects, “leading with joy and humility.” A student volunteer who joined Rev. Buffkin on mission trips to Puerto Rico, Fort Myers and Nicaragua, shared that Rev. Buffkin is dedicated to mentoring students. “He patiently taught me how to serve, how to lead and how to truly connect with the people we were there to support,” she wrote, “I always felt safe, encouraged and inspired in his presence.” After serving with Rev. Buffkin in areas needing hurricane relief, this student was inspired to lead similar relief efforts.

Rev. Buffkin lives out the values of the Sullivan Award. His humor, empathy and resilience mean that all who meet him know that “at William & Mary, you belong.”

THE THOMAS ASHLEY GRAVES, JR. AWARD FOR  
SUSTAINED EXCELLENCE IN TEACHING

*The Thomas Ashley Graves, Jr. Award for Sustained Excellence in Teaching is presented annually to a William & Mary professor who displays a strong commitment to the education of students and service to William & Mary. The award is named after Thomas Ashley Graves, Jr., the 23rd president of William & Mary.*

**ADAM POTKAY**

ADAM POTKAY has exemplified sustained excellence in teaching at William & Mary for more than three decades. A scholar of extraordinary breadth and depth, he has shaped generations of students through rigorous, transformative engagement with literature, philosophy, and the enduring questions of human experience.

Though a specialist in eighteenth-century British literature and Romanticism, Professor Potkay teaches across the full literary tradition, inviting students into a coherent intellectual journey through the “great books.” Courses such as The Bible and Literature, Enlightenment and Sensibility, Romanticism and Revolution, and The World Novel challenge students to grapple with complex texts while making them accessible and deeply relevant. Students consistently describe his teaching as intellectually demanding and profoundly inspiring.

At the core of his pedagogy is a commitment to student growth. He sets high expectations and provides detailed, thoughtful feedback that strengthens analytical and writing abilities. His mentorship extends beyond the classroom: he advises honors theses across disciplines, supports students in competitive fellowships and publications, and cultivates a devoted community of learners. His influence is evident in the exceptional achievements of his students, including undergraduate publications in leading scholarly journals.

Professor Potkay’s teaching is inseparable from his distinguished scholarly career. An internationally recognized author of award-winning books and numerous articles, he brings cutting-edge research into the classroom while also reaching global audiences through public scholarship.

His service to the university, as department chair, director of honors, and mentor to junior faculty, has strengthened William & Mary’s culture of teaching excellence. Marked by passion, erudition, and humanity, Professor Potkay’s teaching fosters intellectual excitement, generosity, and discovery. For his sustained, transformative contributions to teaching and mentorship, he is honored with the Thomas A. Graves, Jr. Award for Sustained Excellence in Teaching.

THE CHARLES JOSEPH DUKE, JR.  
AND VIRGINIA WELTON DUKE AWARD

*Annually, an endowment from Charles and Ann Duke makes possible an award to an outstanding employee of the university. The award is given in memory of Mr. Duke’s parents for their years of distinguished and loving service to William & Mary. Charles and Ann’s daughter, Emily, now represents the family during the annual Duke Award ceremony.*

**DEBI JARVIS**

DEBI JARVIS devotes her “exceptional professionalism, deep expertise and profound dedication to strengthening the university’s workforce and culture.” Since joining University Human Resources in 2013, Ms. Jarvis has enriched the campus community and improved the working lives of her colleagues.

Ms. Jarvis began her William & Mary career as a part-time compensation analyst and has since served in every facet of human resources, cultivating critical institutional knowledge and encouraging trust and resilience on her teams. Her expertise spans recruitment, compensation audits, interpretation of federal and state regulations, performance management administration and mediation.

Among her many contributions, Ms. Jarvis helped the Global Research Institute design its initial organizational structure and position framework, developed training programs on performance management and employee relations and recruited top talent to strengthen and stabilize teams.

“Time and time again she has answered the call of the university to help fill a gap, to solve a problem that is seemingly unsolvable, to instill confidence, to lead,” shared the Global Research Institute’s Associate Director David Trichler.

Last year, Debi rose to the challenge as Interim Chief Human Resources Officer to help the Human Resources team successfully navigate one of the largest change management efforts on campus in over 20 years. In the words of the university’s current CHRO Anne Roemer, “She has earned the respect of campus leaders as a problem solver who approaches every situation with integrity.”

Sarah Melchior in the Office of the University Counsel also praised Ms. Jarvis as a “trusted strategic partner” who “continuously demonstrates her commitment to the good of the university and the people that make up its diverse community of employees.”

“Throughout her tenure, she has strengthened departments, supported employees with compassion and expertise, and embodied the university’s highest values.” Ms. Jarvis’s legacy at William & Mary is one of service, dedication and impact.

## VALUES IN ACTION AWARDS

*The Values in Action Award recognizes staff and faculty whose exceptional service exemplifies William & Mary's stated values: Belonging, Curiosity, Excellence, Flourishing, Integrity, Respect and Service.*

### **SHANAY BUTLER**

SHANAY BUTLER does “a little bit of everything” with grace and a welcoming presence. A part of the William & Mary community as long as she can remember, Ms. Butler recalls visiting her aunt in the human resources department as a child. She thrives on building relationships with students and colleagues. She began her William & Mary career in 2005 at the School of Education, and she now supports the English and Linguistics offices. She has revitalized fiscal workflows, covered tax analysis, aided in the transition to Workday, and more. One colleague notes, “She is kind and patient and will go out of her way in order to make it possible for others to thrive.”

### **PAULINA CARRIÓN**

PAULINA CARRIÓN has juggled various roles over 13 years at William & Mary. Professor Carrión now primarily works with language house fellows. She began her career as a teacher for the deaf in Ecuador, an experience that turned her “whole world upside-down,” a feeling she wanted to share. She stresses that learning a foreign language is about immersing her students in a culture and expanding their worldview. To keep her students and herself engaged, Professor Carrión plans for variety in the classroom and introduces activities like making Guatemalan worry dolls. According to one student nominator, Professor Carrión “strives to create a learning environment in which students feel empowered and capable.”

### **LIZ CASCONI**

LIZ CASCONI has transformed survivor support at William & Mary. By instituting the Adaptable Resolution process, strengthening restorative accountability and building community partnerships, she has anchored this work in the university's values of integrity and respect. Her commitment to transparency fosters confidence in Title IX processes. She has established a model for upholding compassion and accountability. One nominator writes, “Her work fosters trust and reinforces that every member of the W&M community deserves to feel valued, supported, and that they truly belong here.”

### **STEPHANIE CALIGIURI**

STEPHANIE CALIGIURI lives the university's values through hands-on, highly personalized mentorship. Her students share that Professor Caligiuri is “deeply invested in developing students not only as scholars, but as thoughtful professionals.” She cultivates inclusive lab communities where undergraduates can engage in meaningful, high-level research. She models a powerful standard for navigating difficult conversations with care, professionalism, and empathy. Her personalized approach coaches students through their academic and professional development; students turn to her for help with resumes and cover letters as well as clinical research and publication.

# HONORARY DEGREE RECIPIENT

## FRANCIS FUKUYAMA

*Doctor of Humane Letters*

---

YOSHIHIRO FRANCIS FUKUYAMA, the Alma Mater of the Nation applauds your dedication to strengthening the foundations of American civic life. You have pursued this aim as a teacher and scholar of rare ambition and scope. Via your research, the quiet yet essential roles of a healthy polity — the educators, “public health workers, weather forecasters, air traffic controllers” and so many others who sustain civic life — have gained new dignity.

Your background is cosmopolitan: You were born in Chicago to immigrant parents and raised in New York City’s Lower East Side. You studied classics at Cornell University before traveling to France. There, you learned from intellectuals such as the famed philosopher Jacques Derrida. You returned stateside, where you earned your doctorate in political science at Harvard.

Your scholarship is required reading for anyone interested in world politics. “The End of History and the Last Man” is regarded as one of the most influential books of the late 20th century. The Washington Post writes that yours was “the first book to fully fathom the depth and range of the changes now sweeping through the world.”

You apply your expertise in service to our country. You have served as a member of the RAND Corp.’s Political Science Department, on the policy planning staff

of the U.S. Department of State, and on the President’s Council on Bioethics. Leading universities frequently call on you. You currently serve as the Olivier Nomellini Senior Fellow at Stanford University’s Freeman Spogli Institute for International Studies and as a faculty member for the institute’s Center on Democracy, Development and the Rule of Law.

A close friend of William & Mary’s 24th president, Paul Verkuil, you frequently collaborate with the Global Research Institute. Last fall, you spoke on democratic governance to an overflow audience. You taught in the American Statecraft class inspired by Chancellor Robert M. Gates ’65, L.H.D. ’98.

For your leadership, you have received high honors, including the Johan Skytte Prize, one of political science’s top prizes. For your contributions to public administration, you received the 2024 Fred Riggs Award for Lifetime Achievement.

Yoshihiro Francis Fukuyama, William & Mary honors your dedication to our nation, to democratic values, and the rule of law. By virtue of the authority vested in me by the Board of Visitors and the Ancient Royal Charter of The College of William and Mary in Virginia, I hereby confer upon you the degree of Doctor of Humane Letters, *Honoris Causa*.

# HONORARY DEGREE RECIPIENT

## FRANK SHATZ HON '15

*Doctor of Humane Letters*

---

FRANK (FERENC) SHATZ, you have made helping others your life's work. William & Mary is fortunate to call you a neighbor and friend. The Alma Mater of the Nation proudly salutes you during your 100th year and recognizes the heroism that has animated your life.

You were born in a small town between what was then Czechoslovakia and Hungary. When antisemitism reached you and your family, tragedy followed. You escaped from a Nazi slave labor camp at 17 and fled to Budapest in 1944. Courageous and resourceful, you became a member of the underground Budapest Relief and Rescue Committee. You delivered food, medicine and forged papers, saving thousands of lives.

Following the war, you worked as a foreign correspondent in Prague, where you met your wife, Jaroslava. Together, you fled communist Czechoslovakia in 1954 and immigrated to the United States. You reported for the Hungarian Daily, and Jaroslava built a career as a jewelry designer. While vacationing in Virginia, you fell in love with Williamsburg — where your impact has been profound.

In the early 1980s, you began a celebrated career at the Williamsburg bi-weekly newspaper, The Virginia Gazette. Your more than 2,000 columns have brought

global perspective to local news. Readers and friends cherish the way you connect the concerns of the day to larger patterns in world history. You received a first-place award from The Virginia Press Association for excellence. The Virginia General Assembly has twice honored your commitment to educating Virginians about the Holocaust.

You partnered with William & Mary at a key moment, extending our global reach in enduring ways. A close friend of the late Emery Reves, you helped found the Reves Center for International Studies in 1989. You have served on the Reves Center Advisory Board since 1995. In 1998, William & Mary's 25th president, Tim Sullivan '66, presented you with the prestigious Prentis Award for civic service. In 2015, William & Mary claimed you as an honorary alumnus.

Frank Shatz, as a journalist and an intellectual, your business, like this university's, is to advance knowledge as a public good. William & Mary proudly honors your bravery and your vision of global partnerships in the Year of Civic Leadership. By virtue of the authority vested in me by the Board of Visitors and the Ancient Royal Charter of The College of William and Mary in Virginia, I hereby confer upon you the degree of Doctor of Humane Letters, *Honoris Causa*.

Of the graduate degrees, approximately 297 are the Master of Business Administration; 115 are the Master of Accounting; 31 are the Master of Arts; 178 are the Master of Education; 208 are the Master of Science; 42 are the Master of Arts in Education; 12 are the Master of Public Policy; 15 are the Educational Specialist; 13 are the Master of Laws; 12 are the Master of Legal Studies; 155 are the Juris Doctor; 10 are the Doctor of Education; and 66 are the Doctor of Philosophy.

## PRIZES AND AWARDS

### Student Awards

*The Lord Botetourt Medal* is awarded annually to the graduating senior who has attained the greatest distinction in scholarship.

*The James Frederic Carr Memorial Cup* is awarded to a graduating senior on the basis of character, scholarship and leadership. It was established as a memorial to James Frederic Carr, a former William & Mary student who served in World War I and lost his life before he could return to William & Mary.

*The Thatcher Prize for Excellence in Graduate and Professional Study* is given to an outstanding graduate student completing an advanced degree in Arts and Sciences, Education, Marine Science, Business Administration, Law or Computing, Data Sciences & Physics, and is awarded on the basis of scholarship, character, leadership and service. Initiated in 2000 by William & Mary, the award honors Margaret, The Lady Thatcher, 21st chancellor of the university, in recognition of her seven-year term of service.

*The Algernon Sydney Sullivan Award*, given in the form of a medallion, is in recognition of influence for good, taking into consideration such characteristics of heart, mind and conduct as evince a spirit of love and helpfulness to others. It is awarded each year to two members of the student body and to a third person possessing the characteristics specified by the donors.

### Faculty & Staff Awards

*The Thomas Ashley Graves, Jr. Award* is presented annually to a member of the faculty in recognition of sustained excellence in teaching. To honor Thomas A. Graves, Jr., 23rd President of William & Mary, the award has been endowed by alumni and friends of the former president.

*The Charles Joseph Duke, Jr. and Virginia Welton Duke Award* is awarded annually to an outstanding William & Mary employee or one contracted to provide auxiliary services. It has been endowed by Charles Bryan Duke and Ann Evans Duke in memory of Charles and Virginia Duke for their years of distinguished and loving service to The College of William and Mary in Virginia.

*The Values in Action Award* was established in the spring of 2021 by two anonymous donors. It recognizes William & Mary faculty and staff who exemplify the university's values of belonging, curiosity, excellence, flourishing, integrity, respect and service.

## THE COLLEGE AND ROYAL COATS OF ARMS

William & Mary was the first American institution of higher learning to be granted a royal coat of arms issued on May 14, 1694, by the College of Arms in London. The College Coat of Arms depicts college buildings in silver on a green field with a golden sun against a blue sky. The seal does not represent actual William & Mary buildings because the coat of arms was issued before construction began on what is now called the Wren Building. The royal charter calls for a “common seal” for William & Mary, and that original seal included the coat of arms in the center.

The two smaller shields represent the royal arms of the House of Stuart, from which Mary II was descended, and of King William III (of England) & II (of Scotland). The escutcheon depicting a golden lion on a blue field appears on King William’s coat of arms as a reference to the royal house of Nassau to which William belonged.

## THE COLLEGE MACE

The College Mace is carried by the president of the Student Assembly, or a designated representative, at official William & Mary convocations as a symbol of the authority vested in the rector of the university and delegated to the president of the university.

Designed and handcrafted by the Gorham Company of New York, the mace is made of sterling silver. It was given to William & Mary by alumni and students at Charter Day on February 8, 1923, upon the 230th anniversary of the granting of the Royal Charter.

The mace is four feet long. Its 12 key sections commemorate many of the people and events in William & Mary’s 300-year history. They include: an American eagle, symbolizing liberty and freedom of thought; a sphere, symbolizing unity; the College Coat of Arms; arms representing the early chancellors of the university; the seven seals of Colonial Virginia; colored enamel emblems including flags and arms of Great Britain, Virginia and the United States; full-size reproductions of three William & Mary medals; the names of 38 distinguished alumni; the globe, with the continents outlined; the names of the colonial governors of Virginia; American Indian head emblems commemorating the Brafferton Indian School, one of the three William & Mary departments before the American Revolution; and the names of the presidents of William & Mary.

When not in use, the mace is placed in the Earl Gregg Swem Library under the care of the University Archivist.

## THE MARISCHAL MACE

The Marischal Mace is carried by an elected representative of the Graduate Council of the Student Assembly at official William & Mary convocations.

A gift from the University of Aberdeen in honor of William & Mary’s 300th anniversary, the mace was presented by the University’s Principal and Vice Chancellor, Professor John Maxwell Irvine. The University of Aberdeen is comprised of King’s College (founded 1495) and Marischal College (founded 1593), where William & Mary’s founder and first president, the Reverend James Blair, was educated.

The mace, a silver replica of one of the two maces carried by Sacrists at traditional university ceremonies in Scotland, was first carried in the academic procession at the Charter Day ceremony in February 1993.

When not in use, the mace is placed in the Earl Gregg Swem Library under the care of the University Archivist.

## WILLIAM & MARY/UNIVERSITY OF ST ANDREWS JOINT DEGREE PROGRAMME COAT OF ARMS

JOINT DEGREE PROGRAMME  
COAT OF ARMS

This Coat of Arms was officially recognized in 2015 by the Scottish Heraldry Board. It was designed by two joint degree students, Abigail Gomulkiewicz ’15 and Andrew Hashim ’15, to be a unifying symbol of the joint venture. The Coat of Arms presents William & Mary’s griffin and St Andrews’ dragon together holding up the book of knowledge; the third golden key rising from the other two represents the Joint Programme as a third entity growing from the two distinct universities. The Latin motto means “seek knowledge constantly.”

CHANCELLOR'S BADGE AND  
CHAIN OF OFFICE

PRESIDENT'S BADGE AND  
CHAIN OF OFFICE

RECTOR'S BADGE  
AND CHAIN OF OFFICE

## BADGES AND CHAINS OF OFFICE

The Chancellor's Badge and Chain of Office were presented to William & Mary by the Society of the Alumni at the investiture of Chancellor Warren E. Burger at Charter Day on February 7, 1987.

The Rector's Badge and Chain of Office were presented to the university by Anne Dobie Peebles '44 upon her retirement from the Board of Visitors. She served 13 years on the Board, the last three as rector.

The President's Badge and Chain of Office were first worn by former President W. Taylor Reveley III HON '18, LL.D. '18 in 2018. The badge and chain of office were gifts from President Reveley to the university in memory and honor of those William & Mary presidents who preceded him and those who will follow.

Each piece was handcrafted by the firm of Thomas Fattorini, Ltd. of Birmingham, England, and features an enameled depiction of the coat of arms of William & Mary, issued in 1694 by the College of Arms (heraldry) in London as specified in the royal charter. The President's Badge is crafted of silver and gold, the Chancellor's Badge of silver and enamel and the Rector's of silver and gold.

When not in use, the Badges and Chains of Office are placed in the Earl Gregg Swem Library under the care of the University Archivist.

## PASSING OF THE EMBLEMS OF OFFICE

On the first verse of the Alma Mater, as a public recognition of the ongoing tradition and vitality of William & Mary, the president of the Senior Class of 2026 will present the Senior Class Chain of Office to the president of the Class of 2027. On the last verse, the College Mace is presented to the incoming president of the Student Assembly by the outgoing Student Assembly president, and the Marischal Mace is presented to the incoming Graduate Council president by the outgoing Graduate Council president. With this act, the 2025-26 academic year is officially concluded. Bearing their respective maces, the new Student Assembly president, followed by the new Graduate Council president, will lead the Official Party and faculties from the stadium.

## LAND ACKNOWLEDGEMENT

William & Mary acknowledges the Indigenous peoples who are the original inhabitants of the lands our campus is on today — the Cheroenhaka (Nottoway), Chickahominy, Eastern Chickahominy, Mattaponi, Monacan, Nansemond, Nottoway, Pamunkey, Patowomeck, Upper Mattaponi, and Rappahannock tribes — and pay our respect to their tribal members past and present.

## LABOR ACKNOWLEDGEMENT

The Board of Visitors acknowledges that William & Mary enslaved people, exploited them and their labor, and perpetuated the legacies of racial discrimination. The Board profoundly regrets these activities, apologizes for them, expresses its deep appreciation for the contributions made by the African and African American members of its community to the vitality of William & Mary then, now, and for all time coming, and commits to continue our efforts to remedy the lingering effects of past injustices.

## ACADEMIC REGALIA

The ceremonial robes worn in the academic procession speak by their shapes and their colors of the breadth and intricate structure of the academic world. Against the basic black of caps and gowns worn by the students receiving bachelor's and master's degrees, the colors of diverse universities and academic fields stand in high relief. The gowns themselves are of different shape — note especially the sleeves — for bachelor's, master's and doctoral degree holders. The typical American cap is flat with a tassel draped over the front edge, but some universities in the United States and abroad use caps that are softly peaked or round and stiff. Hoods, too, differ in shape for each of the traditional degrees. The lining of the hood announces by its color the university conferring the degree — note the green, gold and silver of William & Mary. William & Mary's distinctive green doctoral robe was first worn by graduates at Commencement 2002. With an open front in the tradition of the British universities, the piping on the chevrons identifies the degree conferred (dark blue for the Ph.D., light blue for the Ed.D. and purple for the J.D.). The edge of all of the hoods as well as the chevrons and piping on academic gowns mark the field of study according to the following color scheme:

 Agriculture	 Engineering
 Arts, Letters, Humanities	 Fine Arts, Architecture
 Commerce, Business	 Journalism
 Economics	 Law
 Education	 Library Science
 Medicine	 Public Administration
 Music	 Science
 Oratory	 Social Work
 Philosophy	 Theology
 Physical Education	

## HONORARY MARSHALS

Each year the members of the senior class select individuals to serve as honorary marshals for their class. Chosen for their contributions to the class, the marshals lead the procession of graduating students from the Wren Building to Zable Stadium and in the Academic Procession. Honorary marshals for 2026 are:

Emily Gerst, *Conflict Resolution & Education*  
Pamela Hunt, *Psychological Sciences*  
Doug Young, *Chemistry*

## HONORARY ALUMNI

Chosen by the Alumni Association Board of Directors for a distinguished record of service, support, advocacy and commitment on behalf of William & Mary, the Honorary Alumna/Alumnus joins the procession of undergraduates from the Wren Building to Zable Stadium and in the Academic Procession. The Honorary Alumna for 2026 is Judith Starkey.

## STUDENT REFLECTIONS

This year's speaker, Corinne Boyd, is a senior from Richmond, Virginia, and is graduating with a Bachelor of Science in integrative conservation. She has spent the last two years serving on the Student Leadership Committee for the Institute for Integrative Conservation (IIC). As a member of the 2024 Conservation Research Program, Corinne had the opportunity to live at a research station for two months in Kenya's Great Rift Valley, working to chronicle and promote women-led ranger programs. Her research and experience was published by William & Mary. She also studied abroad in Nice, France, last spring, focusing on sustainability within Europe and the Mediterranean. Most recently, she completed a year-long conservation GIS project designing a StoryMap for the IIC website. Corinne is a fourth-generation William & Mary student and would like to acknowledge the women in her family who attended the university before her and made this moment possible. She is deeply honored to share this occasion with her fellow students and would like to thank her parents, Andrew and Amy Boyd, for their unwavering support.

## SENIOR CLASS GIFT

The 2026 Senior Class Gift supports various aspects of William & Mary. Senior class members either make an unrestricted gift for William & Mary's most pressing needs, or designate their gift to different areas including academic departments, student organizations and athletics. A cement paver commemorating the Class of 2026's gift will be placed in the brick sidewalk near the Sunken Garden in the area known as the "Senior Walk." Thank you to the Class of 2026 for supporting the future of William & Mary.

## ALMA MATER

Hark the students' voices swelling,  
Strong and true and clear  
Alma Mater's love they're telling  
Ringing far and near.

### CHORUS

William and Mary loved of old  
Hark upon the gale,  
Hear the thunder of our chorus  
Alma Mater hail!

God, our Father, hear our voices  
Listen to our cry  
Bless the college of our fathers  
Let her never die.

# ACADEMIC STRUCTURE

## BOARD OF VISITORS

The Board of Visitors is the governing body of William & Mary. The Governor of Virginia appoints 17 members who meet 4–5 times each year to discuss matters of long-term planning and budget issues for William & Mary. The Board of Visitors regularly engages the campus and alumni community through its committees and participation at annual and special events.

## PRESIDENT.....KATHERINE A. ROWE

The president establishes the strategic direction of the university. For more than three centuries, William & Mary has enjoyed the leadership of presidents of surpassing vision and accomplishment. Katherine A. Rowe became William & Mary's 28th president on July 1, 2018. Nationally recognized as an innovator in higher education, Rowe is a champion for the importance of the liberal arts, entrepreneurship and strengthening education-workforce pathways.

## CHANCELLOR.....ROBERT M. GATES '65, L.H.D. '98

William & Mary's Royal Charter of 1693 establishes the position of chancellor. The position is honorary and ceremonial, appointed by the Board of Visitors for a seven-year term. George Washington served as the university's first American chancellor. The Honorable Robert M. Gates '65, L.H.D. '98 was named William & Mary's 24th chancellor on February 3, 2012. The longest-serving chancellor in William & Mary history, Chancellor Gates was re-invested for a second term on February 8, 2019, and for a historic third term on February 6, 2026. Chancellor Gates is the first alumnus to hold this position in the university's modern era.

## PROVOST ..... PEGGY AGOURIS

The provost is the chief academic officer of William & Mary and reports directly to the president. Dr. Peggy Agouris became William & Mary's sixth provost in 2019. A distinguished scholar and academic leader, Provost Agouris has advanced academic innovation, interdisciplinary research, faculty and student success, and institutional growth throughout her career. Under her leadership, William & Mary created its first new school in over 50 years and achieved R1 status, a designation awarded to institutions with the highest levels of research activity, reflecting the university's expanded research capacity and national impact.

## DEANS

Seven deans report to the provost. Each dean is responsible for providing leadership to their unit in accordance with the unit's own mission and vision. Academic deans take special care to focus on educating students within their respective academic units and supporting faculty in achieving outcomes in teaching and research.

***The College of Arts & Sciences*** is led by *Dean Suzanne Raitt*. In nearly 25 years of service to William & Mary, Dean Raitt's career has spanned award-winning scholarship and teaching as well as faculty leadership and administrative roles before she assumed the role of dean in 2023. As the largest academic unit and the academic heart of William & Mary, the College of Arts & Sciences offers a wide array of undergraduate, master's and doctoral programs designed to prepare the next generation of engaged citizens and leaders. Courses in the College of Arts & Sciences are usually an undergraduate's first academic experience at W&M. In 2025, 87% of graduating students completed either a major or a minor in the College of Arts & Sciences.

***The Batten School of Coastal & Marine Sciences & VIMS*** is led by ***Dean and Director D. Derek Aday***. A prominent ecologist, Dean Aday previously held leadership roles at North Carolina State University and with the United States Geological Survey's Climate Adaptation Science Center. Dean Aday's visionary leadership has led to significant increases in research expenditures and philanthropic support at the Batten School & VIMS. The Batten School & VIMS is one of the world's largest and most respected coastal and marine science institutions. They are national leaders in the production of actionable science for coastal communities, advice for policy makers and education and training for students and the public.

***The Raymond A. Mason School of Business*** is led by ***Dean Todd A. Mooradian***. A former dean of the University of Louisville's College of Business, Dean Mooradian returned to the Mason School in 2022, where he had first served as a faculty member and, later, as an associate dean. He now serves as the dean and T.C. and Elizabeth Clark Professor of Business Administration. Established in 1968, the business school offers high-quality educational programs at the undergraduate, graduate and professional levels.

***The School of Computing, Data Sciences & Physics*** is led by ***Dean Douglas C. Schmidt '84, M.A. '86***. An internationally recognized computer scientist, Dean Schmidt brings decades of experience translating cutting-edge research into real-world impact. As the first new school at W&M in more than 50 years, the School of Computing, Data Sciences & Physics represents a bold step forward — expanding interdisciplinary research, advancing data fluency and preparing students to lead in a rapidly evolving, technology-driven world.

***The School of Education*** is led by ***Dean Robert C. Knoeppel***. A longtime educator and well-known scholar on educational finance, Dean Knoeppel previously served as dean of the College of Education at the University of South Florida. The School of Education's mission is to prepare transformative leaders for a rapidly changing world and educational landscape. Established as a distinct entity in 1962, the school today accounts for nearly a third of the master's degrees and almost half of all doctoral degrees awarded at William & Mary each year.

***William & Mary Law School*** is led by ***Dean A. Benjamin Spencer***, a leading expert in federal jurisdiction and civil procedure. He assumed leadership of the school in 2020, bringing with him a wealth of experience from his tenure at such institutions as the University of Richmond School of Law, Washington & Lee University School of Law and the University of Virginia School of Law. Established in 1779, William & Mary Law School was the first institution in the United States to provide professional legal education. Its mission revolves around developing citizen lawyers through comprehensive professional training, serving the community through the provision of legal services and engaging in impactful scholarly research.

***William & Mary Libraries*** are led by ***Interim Dean Lisa T. Nickel***. Prior to her interim role, she served as the associate dean of research and public services for W&M Libraries. William & Mary's first library dates to 1698, when Virginia's royal governor, Sir Francis Nicholson, donated his personal library of more than 200 volumes. Today, the library system holds more than 1 million items across its general collections, the Special Collections Research Center and four affiliate campus libraries: the Hargis Library at the Batten School & VIMS, the Learning Resource Center at the School of Education, the McLeod Business Library and the Wolf Law Library. Swem Library's physical spaces continue to evolve with the recent renovation of the Glenna Bowman MacKenzie Theater. Library services have expanded with new infrastructure for digitization that make unique collections, and the scholarship generated by our community, increasingly accessible to scholars worldwide.

# W&M and Colonial Williamsburg partner to research, relocate, interpret 18th-century Bray School

Researchers from William & Mary and Colonial Williamsburg announced in 2021 the discovery of the nation's oldest extant building dedicated to the education of enslaved and free Black children. The two institutions established the Williamsburg Bray School Initiative and forged a partnership regarding the future use of the building, which was moved to Colonial Williamsburg's Historic Area in February 2023. The William & Mary Bray School Lab serves as the research home for the initiative, where scholars, descendants and local community members are exploring the history of the school building, its students and their lived experiences. In November 2024, hundreds gathered on the lawn of the Art Museums of Colonial Williamsburg for the school's formal dedication. The restoration of the Bray School and the work of William & Mary's Bray School Lab have received significant media attention, including a front-page story in *The Washington Post* and segments on the TODAY show.

## \$30M gift to honor former U.S. Defense Secretary Robert Gates

In 2024, the university announced that a \$30 million gift from an anonymous alumna will honor former U.S. Secretary of Defense and current university Chancellor Robert M. Gates '65, L.H.D. '98 with the first academic building in the nation to bear his name.

The W&M Foundation, which owns and operates Brown Hall, partnered with the university to transform the existing structure and create Robert M. Gates Hall. The building will serve as a hub for research and teaching, addressing global challenges.

Gates Hall will house four centers: the Global Research Institute, AidData, the Institute for Integrative Conservation and the Whole of Government Center of Excellence. In 2024, a ceremonial groundbreaking was held for the hall, and in early 2026, a topping off ceremony marked a milestone in construction. It is expected to open by the end of 2026.

## W&M's iGEM teams win gold

The 2022, 2023, 2024 and 2025 William & Mary iGEM teams returned from the world's premier synthetic biology competition bearing gold.

The 2022 team earned a gold medal for its project at the iGEM Grand Jamboree and also won the Best Software & AI Project track. The next year, the W&M team topped all other undergraduate teams from the United States. By developing a project related to soil degradation, the W&M team earned a gold medal and landed in the top 10.

In 2024, the team tackled an understudied area of synthetic biology — satellite phages — to earn a gold medal and finish in the top 10 undergraduate teams. The next year, the team earned a gold medal for its project “Aquarius,” which harnessed the power of synthetic biology to tackle pressing water-related environmental challenges.

## Construction projects move forward

Over the past few years, William & Mary has embarked on major efforts to modernize and expand spaces on the university's beautiful campus.

In 2022, William & Mary announced a new era of living and learning spaces on campus. Over the course of 10 years, the university will renovate or replace 80% of its campus residences and provide two new dining halls. Phase one of the \$700-plus million comprehensive housing and dining facilities project began in 2023 and includes new housing for 935 students at the West Woods site as well as housing for 269 students in Cedar Hall, adjacent to Lemon and Hardy halls.

The first part of the West Woods project — West Woods 1 — includes a 50,000-square-foot dining hall and four residence halls. Those residence halls opened in 2025. The second part of the project — West Woods 2 — includes the redevelopment of the Randolph Complex, which is expected to be completed in fall 2027.

Other new or renovated facilities that have opened on campus recently include the Sadler Center expansion, Phi Beta Kappa Memorial Hall, the Music Arts Center, the Muscarelle Museum of Art at The Martha Wren Briggs Center for the Visual Arts, the Mackesy Sports Performance Center and the fourth phase of the Integrated Science Center, which is home to the School of Computing, Data Sciences & Physics.

In addition, work is underway to preserve the Wren Building by replacing its roof, restoring the cupola, remedying water infiltration issues and making additional repairs.

## Vision 2026

During William & Mary's 2022 Charter Day ceremony, President Katherine A. Rowe launched the university's Vision 2026 strategic plan with three aims — to expand the university's reach, to educate for impact and to evolve to excel — and four areas of focus: data, water, democracy and careers.

In focusing on those, the university is drawing on distinct strengths of the William & Mary community in areas where the university already has clear expertise and a competitive advantage in addressing grand challenges. Rowe offers regular updates on progress being made under the plan, including the establishment of the Batten School of Coastal & Marine Sciences and the School of Computing, Data Sciences & Physics; the implementation of the Better Arguments curriculum and Professional Development Days and an increase in support for internships and other applied-learning opportunities. Details are available at [www.wm.edu/vision2026](http://www.wm.edu/vision2026).

## Alma Mater of Innovation

Throughout its history, William & Mary has evolved to answer the needs of our nation — leading the evolution of the liberal arts and sciences at key moments of transformation. That tradition of innovation took a leap forward recently with the establishment of a new school joining the departments and programs of computer science, data science, applied science and physics.

In 2023, the Board of Visitors voted unanimously to approve a new administrative structure for the four academic units. In 2024, the State Council of Higher Education for Virginia approved, and the next year, the School of Computing, Data Sciences & Physics officially launched. In 2026, the school settled into its new home when the fourth phase of the Integrated Science Center was completed.

Through the new school, William & Mary is expanding its focus on data fluency, facilitating data-intensive research while further enhancing students' career prospects in sectors that are driving economic growth.

## W&M commits to cover full tuition and fees for all in-state Pell Grant recipients

Beginning with the 2023-2024 school year, William & Mary committed to guaranteeing scholarship aid to cover at least the cost of tuition and fees for all in-state, undergraduate Pell Grant-eligible students.

The goal was to increase the percentage of in-state undergraduates who are Pell Grant eligible to 20% in four years. That goal was achieved in 2024.

The program is part of W&M's continuing efforts to expand access and enhance outcomes for high-achieving, limited-income students. In fall 2023, the university launched the Commonwealth Impact Partnership Program in coordination with Virginia high schools to nominate students for a scholarship and mentoring program that covers the full cost of in-state tuition and fees. That same semester, the university announced a \$2.5-million endowment that supports Lighting the Way scholarships for out-of-state, Pell Grant-eligible students. The scholarships fully cover the cost of each recipient's attendance when combined with a Pell Grant and university funding.

## Transforming Coastal & Marine Sciences

A transformational \$100 million gift from philanthropist Jane Batten HON '17, L.H.D. '19 in 2024 established the Batten School of Coastal & Marine Sciences. The gift positions William & Mary's Batten School & VIMS as the premier destination for developing solutions to threats to marine systems and coastlines. It was the largest gift in William & Mary's 331-year history.

The next year, the university received a \$50 million gift from Dr. R. Todd Stravitz '82 and the Brunckhorst Foundations to establish the R. Todd Stravitz Scholars Program. The program provides full tuition support for students pursuing the new bachelor's degree in coastal & marine sciences at W&M's Batten School.

That degree provides students with the first in-state, public opportunity to pursue an undergraduate degree in coastal and marine sciences. The first cohort of students started in fall 2025, officially launching a unique coastal and marine sciences program combining classroom rigor with immersive field and research opportunities.

## #1 for Study Abroad

In November 2025, William & Mary was once again the top-ranked public university in the nation for study-abroad participation, a spot it has claimed 12 times over the last 17 years. The ranking was part of the Open Doors 2025 Report on International Educational Exchange released by the U.S. Department of State's Bureau of Educational and Cultural Affairs and the Institute of International Education.

According to the report, which looked at data from the 2023-2024 academic year, 885 William & Mary students studied abroad for academic credit during their undergraduate careers.

Each year, William & Mary students study abroad in more than 55 countries. They participate in 48 W&M exchanges, sponsored semester programs, faculty-led programs and internships, as well as those offered through other universities and organizations.

The Reves Center for International Studies is the study-abroad headquarters at William & Mary, designing, administering and managing programs in collaboration with departments across the university.

## New Ivy Accolades

William & Mary's commitment to helping students thrive from their first job to their last was recognized in two new lists from Forbes in 2025. The university was counted among the magazine's "15 Top Colleges For Launching Your Career" and "The New Ivies."

William & Mary was the only Virginia institution included on the list of top colleges for launching careers. According to Forbes, the universities selected share "a commitment to preparing students to successfully enter the workforce." The institutions were picked based on participation in co-ops and internships, median salaries three years after graduation and post-graduation employment rates.

"The New Ivies" list includes 10 public and 10 private universities "that are attracting the best and the brightest and graduating students that are outpacing most Ivy Leaguers in the eyes of employers." The schools were selected based on size, selectivity and test scores plus results from a survey sent to subscribers of Forbes' C-suite newsletters.

## We the Teachers

In 2025, William & Mary received a three-year, \$2.8 million grant from the U.S. Department of Education to train teachers in conjunction with the nation's semiquincentennial. It is the largest award to a Virginia university under the American History and Civics Education National Activities – Seminars for America's Semiquincentennial program.

Awarded to Strategic Cultural Partnerships, the grant launched “We the Teachers: Preparing the Next Generation Through History & Civics” to strengthen K-12 history and civics education. It is equipping teachers with content knowledge, pedagogy and classroom-ready tools that connect America's founding principles to civic life. The grant also provides paid, applied-learning opportunities to W&M students.

## Brafferton Tercentennial

During William & Mary's 2023 Charter Day ceremony, the university launched a yearlong commemoration of the 300th anniversary of the Brafferton Indian School, which was constructed in 1723. Leaders and representatives from nine tribal communities attended the event, and Chief Lynette Allston of the Nottoway Indian Tribe provided a reflection on the Brafferton Indian School. The Brafferton Initiative, which was led by the Office of Strategic Cultural Partnerships, included both campus and community events, outreach and partnership with tribal communities, faculty initiatives and a renewed look at how the university can share a more complete history of the Brafferton Indian School.

## Hearth: Memorial to the Enslaved

In May 2022, William & Mary dedicated Hearth: Memorial to the Enslaved, which honors the people whom the university enslaved over the course of 172 years. The dedication ceremony took place during the university's inaugural Black Alumni Weekend. Many of the people who attended had played a role in the creation of the memorial, including students and faculty who laid the groundwork for research into slavery at W&M. A month later, the memorial served as the site for the university's first in-person Juneteenth celebration. In March 2023, a handcrafted vessel that holds the fire central to the memorial was dedicated.

## Years of Celebration

In recent years, William & Mary has assigned themes to years to center the university around important topics and focus attention on matters of importance to the community and the world.

With programming anchored by the opening of the new Arts Quarter and major events at Homecoming and throughout the year, William & Mary celebrated the Year of the Arts in 2023 and 2024. The year amplified the crucial importance of arts education in the 21st century and highlighted the vital role that the arts play in all facets of W&M's educational experience.

The Year of the Environment followed and focused on celebrating and deepening the university's shared commitment to safeguarding the environment and the communities that depend on it. In the face of profound challenges, the university is driving transformative research and solutions while training the next generation of leaders in conservation and sustainability to ensure the well-being of our planet.

In 2026, William & Mary launched the Year of Civic Leadership, which celebrates the university's enduring commitment to service, public stewardship and leadership in service of the common good. From its founding, the university and its people have played a formative role in the life of the republic, understanding leadership as a moral charge — shaped by history, guided by reason and entrusted to each generation in turn.

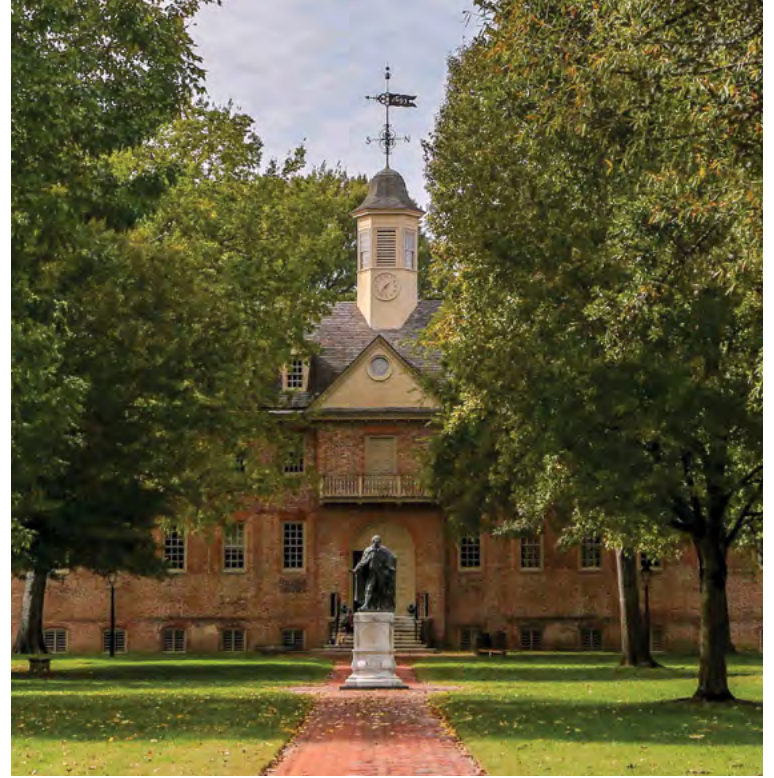

## College of Arts & Sciences

William & Mary's largest academic unit officially adopted a new name in 2025: the College of Arts & Sciences. It replaced the former designation Faculty of Arts & Sciences.

As the academic home for more than 40 departments and programs, including eight graduate programs, the College of Arts & Sciences serves nearly every undergraduate at William & Mary. It also helps drive graduate programs and research across campus.

With the change, the university affirmed the central role of the arts, humanities, social sciences and natural and health sciences in preparing students to lead lives of impact and purpose in their communities, in their careers and in the future of democracy.

The new name brought greater clarity, reflected a student-centered and research-driven mission and aligned with Vision 2026, W&M's strategic plan. The university continues to serve as a national leader in the liberal arts and sciences, preparing graduates to meet the challenges of a changing world.

## Making headlines around the world

As a nationally preeminent university, William & Mary often makes headlines for its impact on the most pressing issues of today.

In 2025, archeologists at Robert M. Gates Hall uncovered near-complete 18th-century foundation of the Williamsburg Bray School. That discovery was covered by such outlets as The New York Times, The Washington Post and Associated Press.

AidData's research into China's lending activities has been covered extensively by the world's leading media outlets. In November 2025, it released a groundbreaking report on the scale and scope of Beijing's portfolio. That report resulted in more than 1,100 articles worldwide and a BBC special.

Other W&M news that made headlines in recent years include the \$100 million gift to establish the Batten School of Coastal & Marine Sciences and the W&M Women's Basketball inaugural trip to the NCAA tournament. In addition, myriad faculty have been featured by news outlets as experts on various topics.

## W&M women's basketball team makes first 'Big Dance'

The William & Mary women's basketball team, led by Head Coach Erin Dickerson Davis, made history in spring 2025 with a storybook run to the CAA Championship and its first trip to the Big Dance.

The excitement began as the team took the CAA championship title with a 66-63 win over Campbell. After trailing by 14 in the first quarter and still facing a 13-point deficit late in the third, the team came back to lock in the university's first appearance in the Big Dance.

In a First Four contest televised nationally by ESPN2, William & Mary took on fellow 16 seed High Point and won, 69-63, claiming the university's inaugural win in the Big Dance. William & Mary next faced top-seeded Texas in that team's home arena. Although the team lost the game, they celebrated their achievements as a program that is clearly on the rise.

WILLIAM & MARY

*Traditions*

## Convocation

Continuing a tradition that was reinaugurated during William & Mary's tercentenary in 1993, William & Mary begins each fall with Opening Convocation to celebrate the start of the academic session.

On the first day of classes, faculty, staff and students gather at the Sir Christopher Wren Building to signify the beginning of the academic year and to officially welcome the incoming class.

At the conclusion of the ceremony and the tolling of the Wren Building bell, the president leads the new students in a special procession from the Wren Yard to the Wren portico, where the new students are warmly welcomed by current members of the faculty, staff and student body waiting in the Wren courtyard. A party with live entertainment follows in the Sunken Garden.

## Homecoming

Every October, William & Mary alumni flock to Williamsburg to celebrate and reconnect with classmates and their alma mater. Members of the Tribe, young and old, enjoy four days of parades, academic forums, parties, football and many other events.

## Raft Debate

Some William & Mary traditions are patently strange (just the way we like them). Consider the Raft Debate, a rhetorical royal rumble between faculty members representing different academic disciplines at the university. Here's the set-up: Four survivors of a shipwreck are stranded on a deserted island with only one tiny raft. Each must convince the audience that his or hers is the most worthy discipline to bring back to civilization. What follows are wildly theatrical appeals by otherwise normal professors and lots of semi-civil name-calling. The audience picks the winner by the volume of its applause.

## Yule Log ceremony

Right before students take off for Winter Break is the Yule Log ceremony. On a chilly Williamsburg night, the whole student body squeezes into the Wren courtyard, where festive “cressets” (wood-burning torches) warm the crowd. The students are treated to live holiday music and student speeches explaining a diverse range of holiday traditions. The climax is when the university president takes the stage to read a story selected by the President’s Aides. Afterward, frozen students pile into the Great Hall to toss ceremonial sprigs of holly into the Yule Log fire for good luck. Then it’s hot cider and sugar cookies for everybody.

## Charter Day

February brings the annual celebration of William & Mary's Royal Charter — think “Happy Birthday, William & Mary.” Charter Day features speakers of note, along with the distribution of honorary degrees and prestigious awards to students, faculty and alumni. In recent years, the weekend has also included a comedy show, sponsored by Alma Mater Productions and the Student Assembly.

## One Tribe One Day

William & Mary's One Tribe One Day is more than a day of giving back and paying it forward. It's a beloved annual tradition and a record-breaking, impact-making, community-gathering day of Tribe pride around the globe. Every gift to any area, no matter the size, makes a difference and helps unlock university-wide giving challenges that increase the impact of each gift. Since its inception, OTOD has inspired more than 63,000 donors to give a total of \$27.9 million to William & Mary in support of 1,000+ areas across campus. Donors from all 50 states and countries across the globe have participated in the day.

## Last Day of Classes

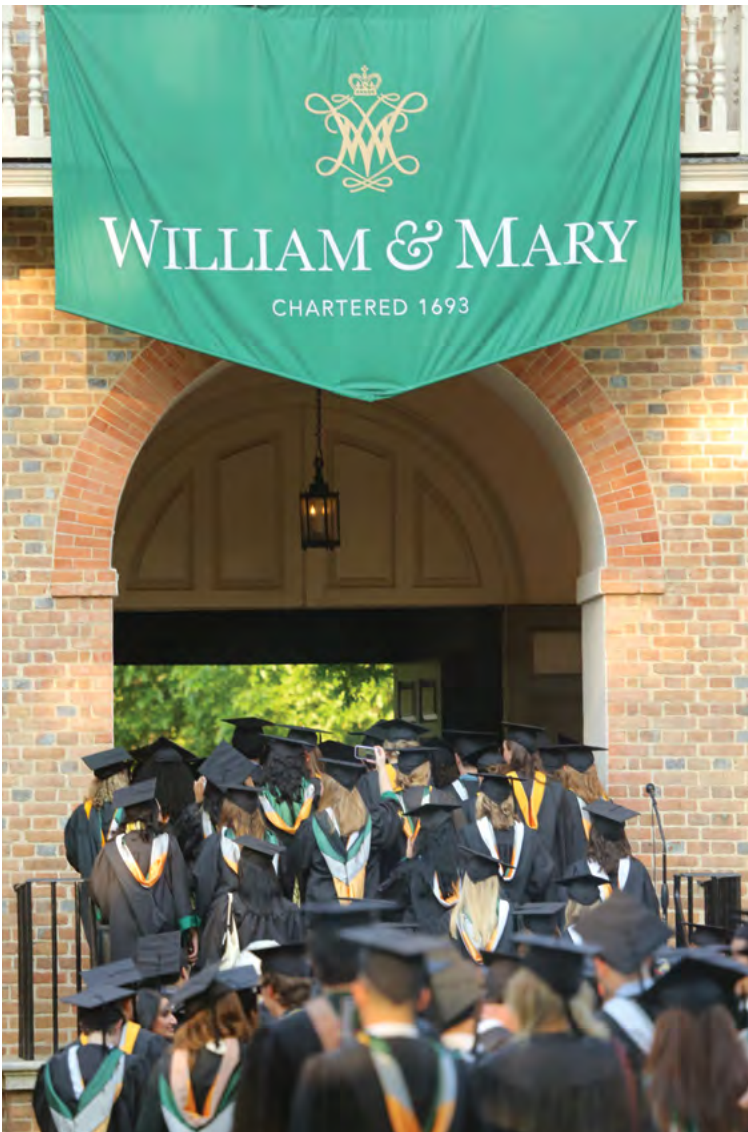

On the last day of classes in the spring, graduating students are invited to ring the ceremonial Wren bell.

## Commencement Weekend: The Candlelight Ceremony

The Thursday of Commencement weekend, graduating students are invited to gather for a candle-lighting ceremony. Tradition holds that the seniors select three speakers — one faculty member, one administrator and one fellow student — each of whom has had a close relationship with the class during their years at William & Mary. The atmosphere is fun and nostalgic, culminating in illuminating and raising the candles together as a graduating class. And, of course, with candles aloft, they sing the Alma Mater.

## The Walk Across Campus

William & Mary's unique Commencement completes the symbolic circle begun by the Opening Convocation ceremony. Four years after they emerged from the Wren portico to the cheers of their classmates, the graduating students now return in the opposite direction, passing back through the portico dressed in their full graduation regalia. From there, they continue their "Walk Across Campus" to Zable Stadium, where Commencement exercises are held.

The image features a dark teal background with several thin, gold-colored curved lines that intersect and sweep across the frame. A solid gold vertical bar is positioned along the right edge. Centered in the middle of the teal area is the text "WILLIAM & MARY" in a white serif font, with the ampersand symbol rendered in gold.

WILLIAM  
& MARY
